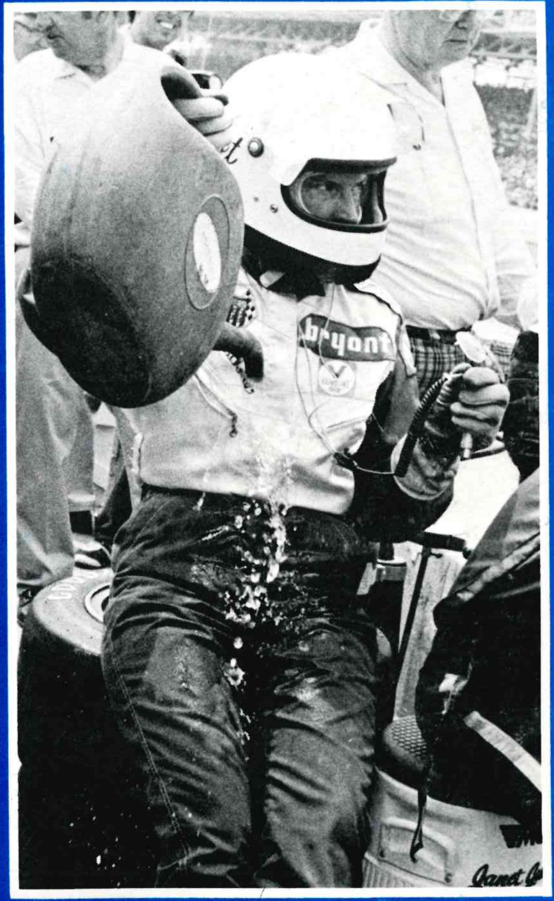
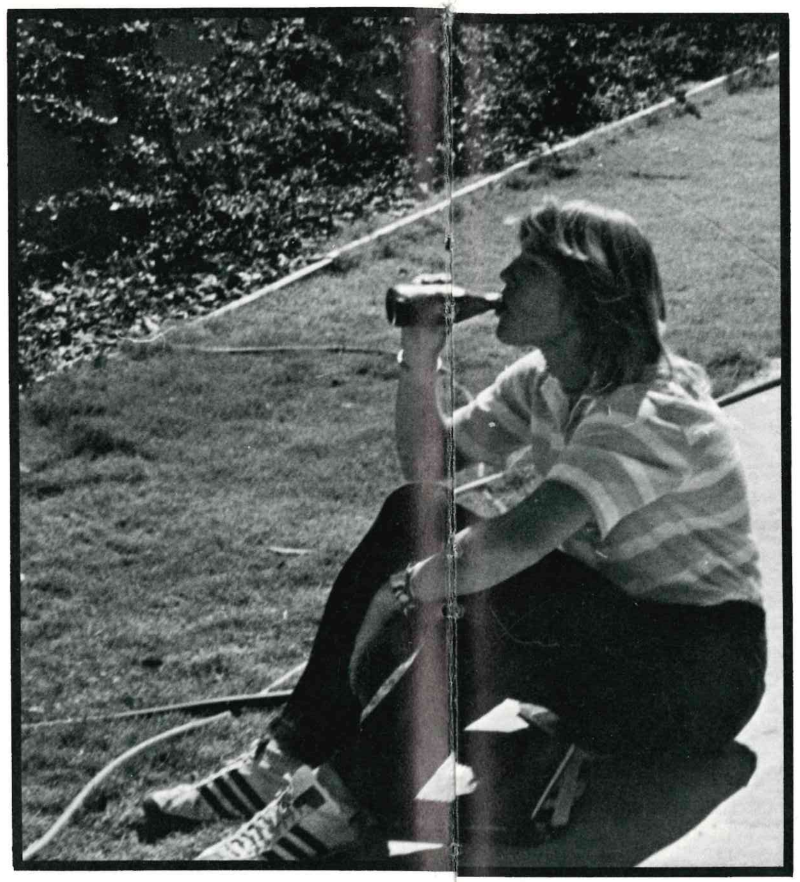
It Happened in "77"



We hope that in the pages of this book you will find some happy memories of Joseph City High. Each of us will remember this year in a different way.

Memories,



Laughing, cramming for a test, football games, lonely evenings at home, someone special, crying, lunch, the tardy bell, buying candy

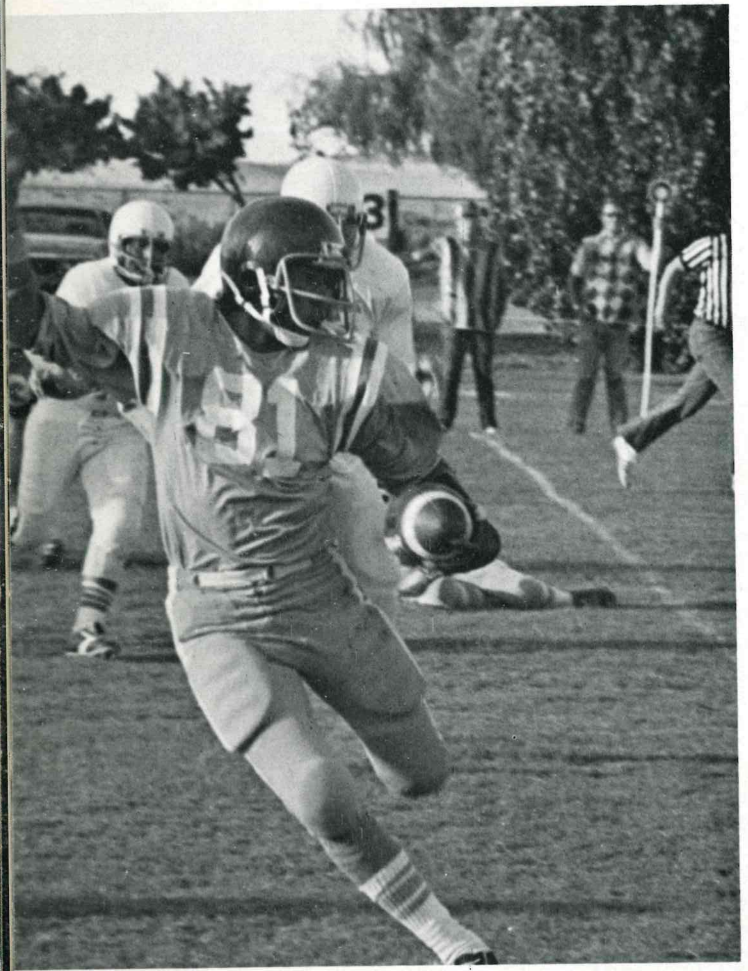
Football

This year was probably one of the most enjoyable and successful years J. C. H. S. has ever had. Except for the loss to Fredonia the season had to be considered outstanding. The coaches Esquibel, Dewitt, and Bratt enjoyed a relationship with the players that only the football team could really appreciate. The hard work, sacrifice and dedication paid off with a 7-2 season. The football team was honored as we had the following named:



Left: Daniel Moya evades tacklers. Bottom Left: Full speed ahead. Below: Good catch Pete

J.V. Volleyball

The Joseph City High school Junior Varsity volleyball team has proven themselves to be quite prepared to become the future varsity volleyball team of JCHS as they whipped through the season with a 10:00 record, defeating each team by a large margin. With their high spirit, dedication, and pride for this school, the prospects are very promising for a State Championship title.

The girls basketball team began the season right where they finished last year, on a winning note. The girls traveled to Valley where they won in overtime 44-43. The team then proceeded to defeat Snowflake, Winslow, and Snow Low before falling to Alchesay in the J.C.H.S. tournament. This would be the Fighting Wildcats only loss of the season. From the on the girls simply out ran their opponents. During the course of the season the Fighting Wildcats broke most of their school records and many state records including most victories in a season--26 and most consecutive state championships --3.

At the District Tournament the girls defeated Fredonia, Ash Fork, and Mayer for the 6th consecutive district Championship. At the State Tournament-Joseph City

The following girls were selected to various all-tournament teams during the season: LuAnne Foree, Shanna Hatch, Kari Miller, Sandy Baird, and Susan Shelley. Coach Duane Jones reflected upon the season with these words. "I am especially proud and happy about this year's team. We started the season with the victory against Valley and began our march to a state championship we played excellent basketball. It's really been a pleasure coaching these girls!

Homecoming '77'

Homecoming "77 was a busy and exciting week. Activites through the week built the enthusiasm of everyone involved. Beginning with the cookie eating contest and ending with the Homecoming Dance. The year of the cat was truely "THE YEAR OF THE CAT."

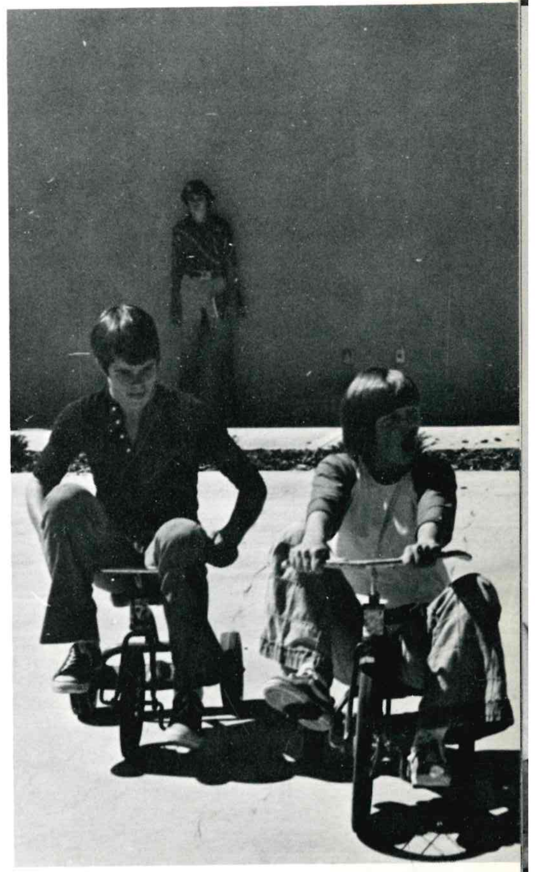
Noon time activities involved competition between the classes with the Juniors and the Seniors walking off with the prizes. The Junior class won the JCHS tricycle Gran Prix with a sweeping victory by the tricycle master herself Susan Shelley, while the Senior cookie monster himself, Dave Moya, munched for a cookie filled victory for the Seniors. Win or Loose everyone had fun.

The weekend activities began Friday afternoon with the Blue and White powder puff football game. Girls from the Freshman and Senior classes challenged the Sophomore and Junior girls. The hard fought battle ended zip-zip.

The Homecoming bonfire Friday night was filled with loud cheers, enthusiastic pep talks and a clown pom-pon routine. By the end of the pep rally everyones school spirit was sky high.

Activities Saturday began against our Homecoming opponent McNary with the Wildcat volleyball team setting a winning pace for the rest of the day. Then at 2:00 o'clock the wildcat football team won a sweeping victory.

The exciting weekend ended that evening at our annual Homecoming Dance. Of recent years the 1977 Homecoming must be considered among the most successful and exciting. This was truely THE YEAR OF THE CAT.



Prom

The most awaited event of the season. The theme for Prom this year was "Fantasy Island", a place where all your dreams can come true. If you defined Prom you would find it as a formal dance or ball given by a high-school class.

Actually this definition doesn't even begin to cover prom. The prom takes months of planning and preparation. Being a member of the junior class, I was in the midst of all the mass confusion. We finally got prom underway. At 8:00 the prom got started and at first it was kind of slow, as you can tell from the picture of Diana. But as the evening progressed things got exciting as you can tell from the picture of Carl.

Along about 10:30 they came about to crowning royalty. Escorted by Wayne Soloman the Queen, Rhona Robinson, took her rightful place upon the throne. Her two attendants, Debbie McWhorter and Shonna Hatch and their escorts Randy Baird and Greg McWhorter were all present at the prom.

At about 12:00 the prom ended and people went home thinking of next years prom.

Yes, the prom is a place where your dreams can come true, and I wish next years juniors good luck.

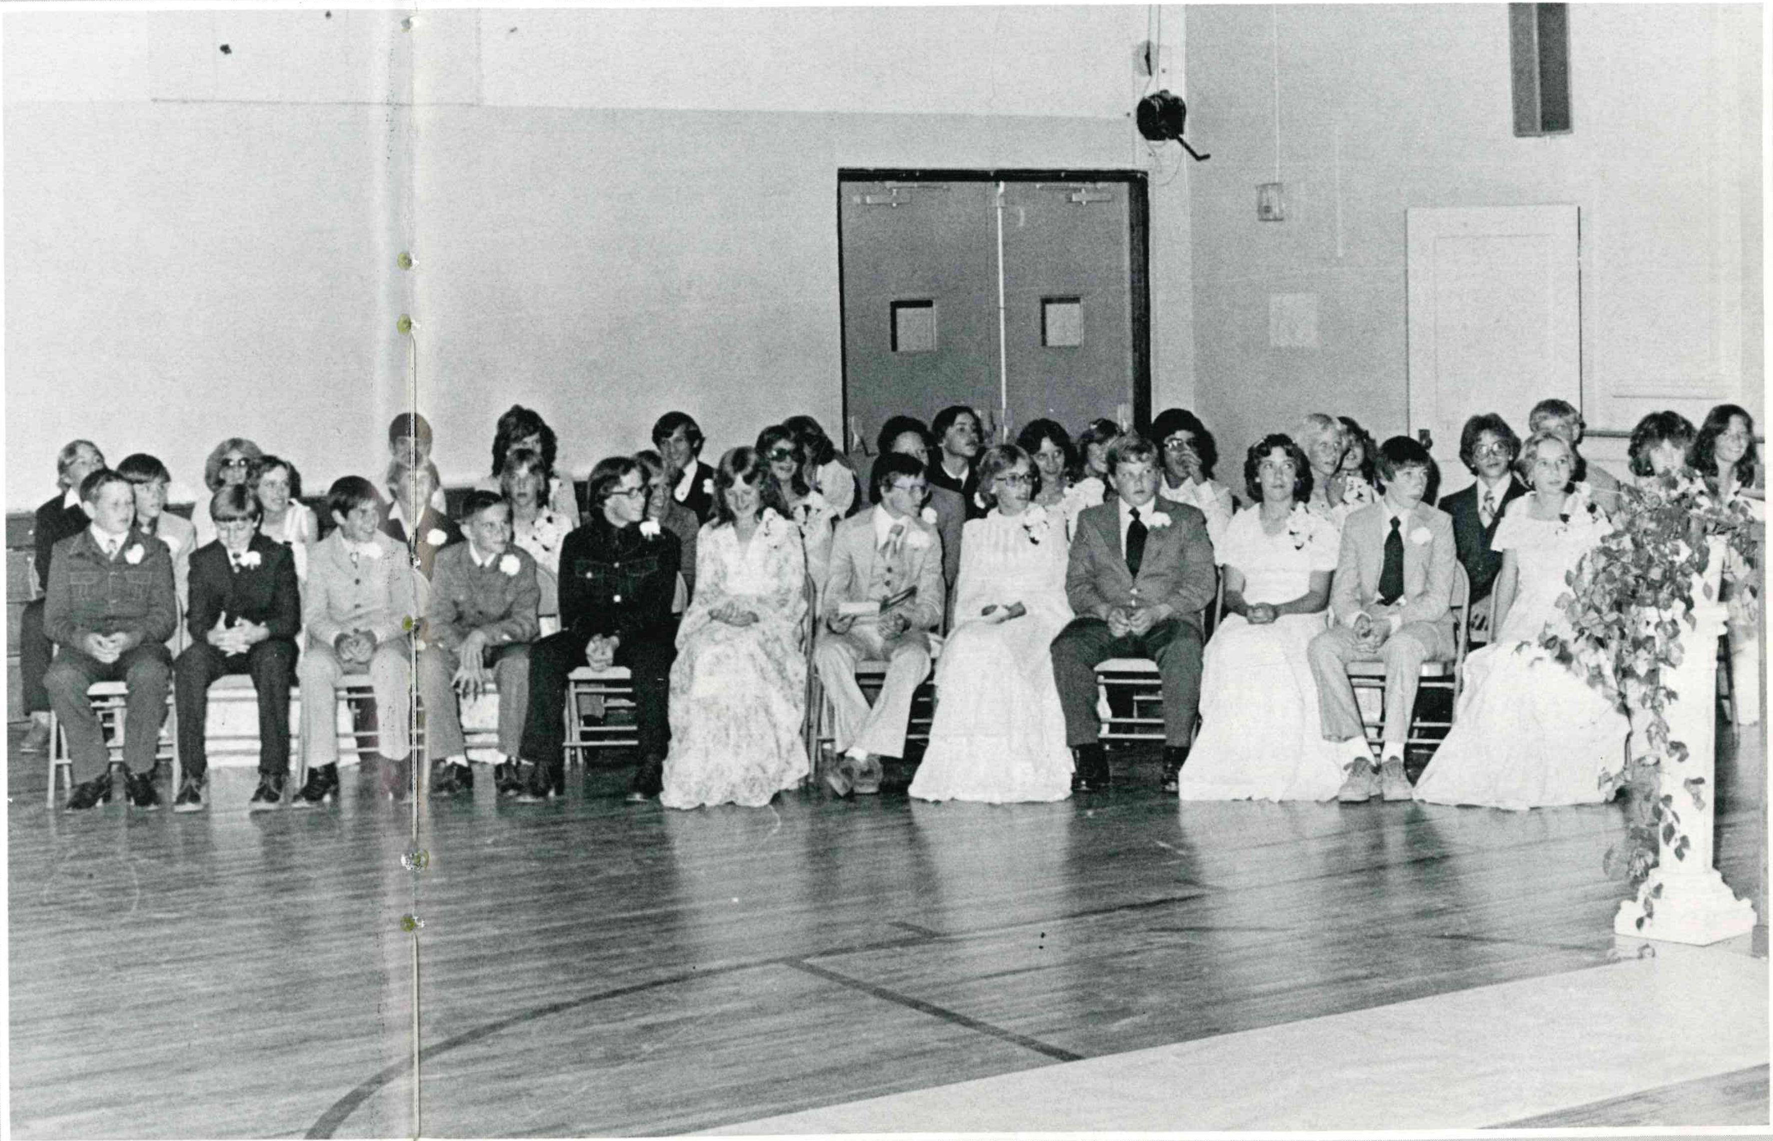
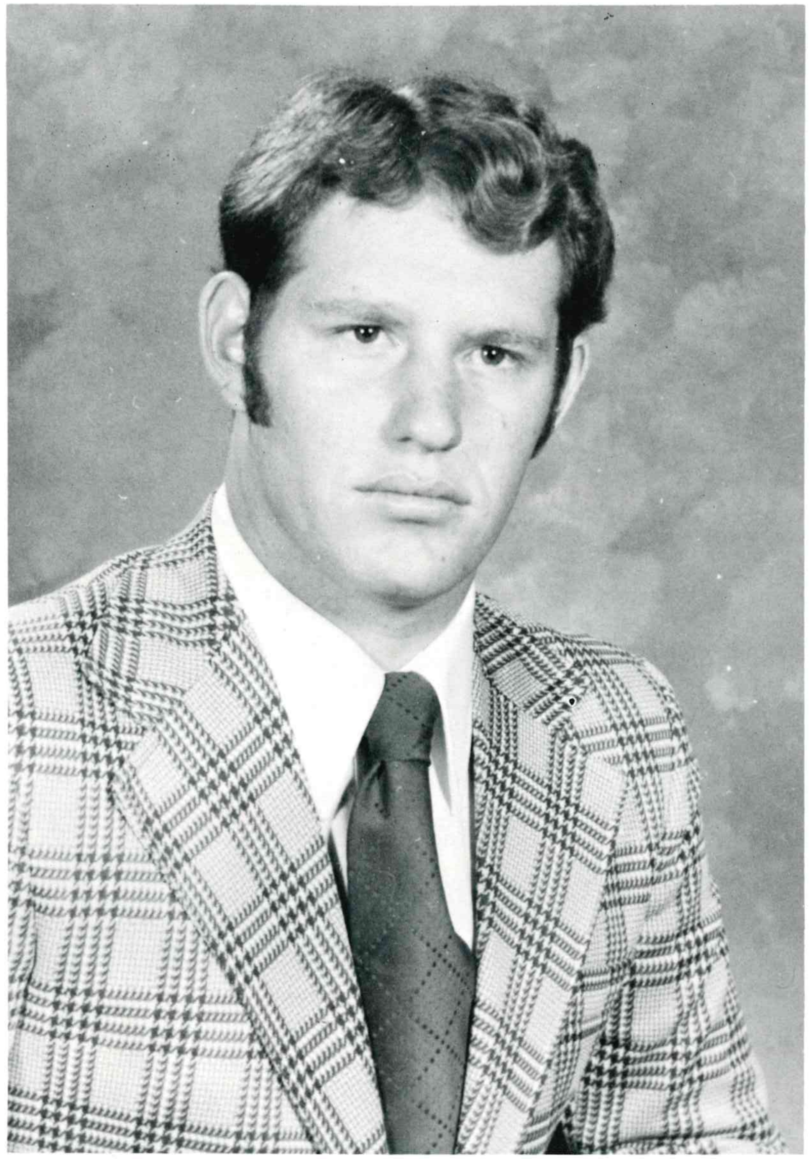
Times Of Your Life





To the memory of Ron Morris we dedicate our yearbook. We will always remember the good times we had at Joseph City High School this past year, and those memories will always include Ronnie, who was so much a part of everything at Joseph City High School. He was a friend to us all! The boots, the cowboy hat, and of course the big smile, that was Ronnie. In one way or another he touched all of us. We can only say it was an honor to have known him. We feel it only fitting to dedicate this book to Ron Morris, for whenever we turn to our yearbook to regain memories of our High School days no doubt Ronnie will be so much a part of those memories.

A friend

"Alma Mater"

With praise and honor true, As students now we stand
We're building for the future years The men who'll guide our land.

We loyal youth will stand, And honor bring our school,
We'll not retreat though life be hard and justice may be cruel.

Our acts will show our worth, And knowledge make us great.
Though riches may not grace our lives, Let honor be our fate.

Our paths may ne'er more cross, And clouds the sun may hide,
But Joseph City High School, Will always be our guide.

At this time I would like to thank my advisor, Mr. Biggs. He and Ed have been a tremendous help to me, this past year. Also my staff has been very good. The annual class experienced a closeness that was really super. I hope that you enjoy the 77-78 Annual Report and as you turn the pages
Memories . . . .

Special thanks to Jeri Lynn
